

Good morning Comrades,

I hope you are all doing well this morning. I am sending out the Marine Corps Birthday Ball event we will be hosting at Red Rock Park on Saturday, November 09, 2019 starting at 1700 (5:00pm) to 2400 (12:00am). This is an annual event held very near and dear to all Marines, and our Devil Dogs. It a time of joy and honor, a time of dedicated remembrance, and a time of celebration. We are cordially inviting all veterans of all military branches to join as we celebrate the 244th Birthday of the Marine Corps. We will be recognizing and honoring all Corpsmen and Medics at this year's celebration.

Our Navajo Nation Marine Corps Birthday Committee is an non-profit organization. If you would like to donate to our organization please contact one of the officers listed on the flyer. All donations made to our organization are tax deductible per the IRS because our organization complies fully with IRS standards.

We are also selling Birthday Ball tickets at \$10 per person as well as raffle tickets in hopes of covering all the costs of the event. Our Marines will also be walking and asking for donations at the upcoming Northern Navajo Fair in Shiprock, NM on October 05, 2019 along with a booth where we will be selling raffle tickets and dinner tickets.

Please call one of the members for any questions, donations or tickets. I may be reached at (505)879-8476, Gunny Pete at (928)206-6023, Mr. Art Sanderson at (928)266-6023 or Mr. Everett Howe at (505)716-3787. Inform your chapter veteran organization members, comrades, friends and relatives about this outstanding event. Thank you all for your military service!

Respectfully,

Hubert Smith
